

Handwritten Mongolian script in vertical columns, appearing as a dark, high-contrast image with significant noise and artifacts. The text is arranged in approximately 15 vertical columns, reading from right to left. The script is a traditional form of Mongolian, likely using the Cyrillic-based system or its predecessor. The image quality is poor, with many white speckles and dark blotches obscuring the original text.

TAFEL 65. Mongolischer Text der Inschrift auf Tafel 63.
